Classic

The essential flavors you love in a jerky

Sweet and sour

If you love sweet and sour then you will love our sweet and sour jerky that has a slight kick that you will love. {Also available in chicken

Four Wolves Teriyaki

It's a trip to Japan in a bit sized morsel with the added burst of Jack Daniels flavor

KC Barbeque

if you love Kansas City BBQ then we have the perfect jerky for you. We have captured the flavors of a KC barbeque in a more portable size with just a hint of chipotle pepper

Spicy BB-Q

Like a summers bbq in Texas this jerky has the taste of jalapeno, chapotle peppers and habaneros

Thanksgiving Turkey

We have stolen the essence of grandma's thanksgiving turkey so that you can have it year round. Only available in turkey

Dragon Fire

We take the exotic flavor of the dragon fruit and fused it with the heat of the ghost pepper for a one of a kind taste.

Ester's Country Dinner

Cloves and pineapple accent this jerky. It will have you thinking of dinner with family

Napalm

This is where the heat of ghost peppers and Trinidad scorpion peppers meet the sweetness of honey. Small \$12.00, large \$15.00

Vegan

Until now jerky and vegans have been contradictions. We at Four Wolves feel that it shouldn't be the case. Made with real vegans... {Made with tofu}

Classic Vegan

We take the goodness of fruits and vegetables and our own special blend of spices to create this one of a kind taste

Bbq

All the smokey flavor of a barbeque that you love without the meat you hate. Available in regular and hot

Southern Belle

Peaches with our special blend of spices make this sweet and spicy jerky one you will fall in love with

$E=MC^2$

This is our hottest vegan jerky that is the ultimate for the vegan fire-eater.

Legacy line

There are certain people who come into our lives that we wish to remember and honor even after they have passed from our lives. We at Four Wolves Worldwide are no different; our legacy line honors those people. 10% of all the profits of the four wolves Legacy line goes to charity each jerky has its own special charity.

All of our legacy line has a waiver unless noted

Nanoo Nanoo

Sweet, and Spicy. That is how we remember him in this jerky that if you don't try it you will be saying shazbat. Even Mrs. Doubtfire would approve. Supporting Parkinson's research

Outlaw

The bad boys ride again in the jalapeno and habenero peppers that will be like riding with Waylon, Johnny, Chris, and Willie supporting music in schools.

Sweet Surrender

Ghost peppers infuse this jerky with heat, then halfway through we baste each piece with real honey for a subtle taste that will fly you to the rocky mountains for a brief taste of freedom of the eagle and the hawk. This jerky supports autism speaks,

Ghost Buster

*'It's always the quiet ones..' Jack Daniels and ghost peppers will make you feel as if any ghost within 100 yards will flee just being around you. Also available in our special **Ghostbusters** pack which has beef turkey and chicken braided together. Proudly supporting the kidney foundation.*

Warp core breach

'Im given her all I can captain' Scotch whisky accents the scorpion peppers in this fiery jerky, sure to hit your taste buds at warp speed

8th of November

We proudly support the men and women in our armed forces with our hottest jerky ever, in this tribute to the 123 airborne (the horde)

We take 8 kinds of peppers to make this special jerky that is the hottest thing we have ever made, remembering those from the 123 who fell on that day in November. Proudly supporting wounded warrior

Clara's Cheesecake

Strawberries and white chocolate make this cheesecake one to remember. Benefiting the Red Cross

Cheesecakes

Classic

Our traditional cheesecake without all the flash

Diabetic's nightmare

Four kinds of chocolate make up the filling of this devilishly good cheesecake that is topped with a chocolate moose that is made from pure Belgian and Swiss chocolates

Cinnamon apple

Apples and pure, freshly ground cinnamon make this a special cheesecake for you

Caramel apple

Like being at a county fair without the line. Caramel and granny smith apples make this one of the finest cheesecakes you will find

Candied apple

With a handmade candy glaze this apple cheesecake will send you to orbit.

Midwestern

Strawberries top this cheesecake straight from the heartland

Tropical

Pineapple, mangos and coconuts make this cheesecake sure to please.

Peanut butter chocolate

Peanut butter and milk chocolate make this a pleaser. Glazed with pure Hershey's chocolate. {also available in white chocolate}

Old glory

Raspberries blue berries and white chocolate. Now what could be more patriotic than that and in a delectable cheesecake {also available with strawberries instead of the raspberries}

Berry Delicious

Raspberries, strawberries and blueberries top this cheesecake

Messenger

*Our classic cheesecake that is topped with your message
{no profanity please}*

Caramel chocolate

Caramel and chocolate will satisfy both your caramel and chocolate sweet tooth

Candy man

A candy store exploded and your cheesecake received it, your favorite candies top this a cheesecake and make it one you will remember always

Remembrance

*White, dark and milk make this cheesecake one that will have you
thinking of picnics with loved ones gone*
